EPIC 4x4 Quest Board of Directors will determine how funds and items donated will be used to provide the greatest ability to help meet the mission of the organization

Note: As of 2020 Insurance cost to hold events is approximately \$3900.00 per year - Monetary Sponsorships allow insurance to get covered to allow organization to function and hold events to meet the mission! If insurance costs are covered and there are additional funds raise through sponsorship then additional offerings and needs are able to be provided/meet throughout the year, both during events as well as to help our law enforcement and first responders.
